REVIEW ENGAGEMENT REPORT

To the members of **Michael Cuccione Foundation**

We have reviewed the statement of financial position of Michael Cuccione Foundation as at December 31, 2013 and the statements of operations and changes in net assets and cash flows for the year then ended. Our review was made in accordance with Canadian generally accepted standards for review engagements and accordingly consisted primarily of enquiry, analytical procedures and discussion related to information supplied to us by the Foundation.

A review does not constitute an audit and consequently we do not express an audit opinion on these financial statements.

In common with many non-profit organizations, the Foundation derives most of its revenue from fundraising and donations, the completeness of which is not susceptible to satisfactory review verification. Accordingly, our verification of this revenue was limited to the amounts recorded in the records of the Foundation and we were not able to determine whether any adjustments might be necessary to this revenue, excess of revenue over expenses, assets or net assets.

Based on our review, except for the effect of adjustments, if any, we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the revenue referred to in the preceding paragraph, nothing has come to our attention that causes us to believe that these financial statements are not, in all material respects, in accordance with Canadian generally accepted accounting principles.

MICHAEL CUCCIONE FOUNDATION

NOTES TO FINANCIAL STATEMENTS

December 31, 2013

Note 1 Purpose of the organization

Michael Cuccione Foundation is incorporated under the Societies Act of British Columbia as a not-for-profit organization and is a registered charity under the Income Tax Act.

The Foundation was formed to raise funds through bequests, gifts, donations and various fundraising activities and to expend or administer these funds for cancer research and for the use of children's hospitals located in Canada. In addition, it is also the purpose of the Foundation to raise cancer awareness in the community, to provide emotional support to cancer patients and their families, and to promote the foregoing purposes throughout Canada.

Note 2 Accounting policies

Basis of presentation

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO) and include the following significant accounting policies:

Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Actual results could differ from those estimates. Assumptions are based on a number of factors, including historical experience, current events and actions that the Foundation may undertake in future, and other assumptions believed reasonable under the circumstances. These estimates are periodically reviewed and, accordingly, adjustments made to these estimates are taken into income in the year in which it is determined.

Revenue recognition

The Foundation follows the deferral method of accounting for contributions. Investment income is recorded based on the accrual method.

	\$ <u>13,178</u>	<u>4,459</u>

Note 7 Capital disclosures

The Foundation considers its net assets as its "capital" for the purposes of this disclosure. The Foundation's objective when managing its capital is to safeguard the entity's ability to continue as a going concern so that it can continue to raise and disburse funds for charitable purposes. The Foundation meets its objectives by monitoring available resources and matching its expenditures accordingly. To maintain its status as a registered charity under the Income Tax Act, the Foundation is required to expend its previous year's "disbursement quota", on its charitable programs in the current year. It has complied with this requirement.

Note 8 Financial instruments

The Foundation's financial instruments consist of cash, receivables and payables. Unless otherwise noted, it is management's opinion that the Foundation is not exposed to significant credit, interest rate, liquidity, or market risks arising from these financial instruments. Market risks result from changes in interest rates, exchange rates of foreign currencies and market prices of financial instruments.
